

## The US Constitution: Important terms

On a separate sheet of paper, define the following terms. The first 18 are in your book; the last seven are not (or, if they are, you'll have to hunt for them).

This assignment is worth 18 points, but you can get up to seven extra credit points if you correctly define all 25 terms.

You may type this assignment, but if you copy-and-paste it, you're getting a zero.
