

# War of Independence

## Revolutionary War workshop project

Grading: 40 points

Your part of the Revolutionary War:

### Assignment:

1. Choose a component of the American Revolutionary War from today's entry at mrtripodi.org.
2. Register your entry with your teacher (one event per student, no duplicates).
3. Complete this research worksheet with classroom laptops.
4. Write a three-paragraph essay about your event, or create a page at the class wiki (see mrtripodi.org for more info).

### WHO

Which nations and/or hired soldiers fought this battle?

How many troops were on each side?

Who commanded each side's forces? Any other famous or significant fighters?

### WHERE

Where did this battle take place?

Mark the location on the map below:

**WHY**

Why did this battle take place?

What happened leading up to the fighting?

**WHAT HAPPENED?**

Who won?

Why was this battle important?

Casualties and losses for each side:

**THE BIG IDEA**

Look at your map on the opposite side and consider your research. Why was the battle important to the early history of America?

**WHAT HAPPENED?**

Describe the fighting.
